## ABOUT SIMI SUNRISE ROTARY CHARITABLE FOUNDATION

The Simi Sunrise Rotary Charitable Foundation is a 501(c)(3) non-profit corporation, serving the community of Simi Valley since 1996. Our mission is to support educational scholarships, youth vocational education and provide health and humanitarian assistance locally and around the world.

### ABOUT ROTARY INTERNATIONAL

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

### FIGHTING DISEASE

We believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care.

Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

### CLEAN WATER

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families. Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change.

### DISASTER RESPONSE

With more than 1.2 million members worldwide, Rotarians are on the ground and ready to take action to help communities recover when disasters strike.

Rotary members and The Rotary Foundation play a unique role in disaster recovery and rebuilding efforts. Working closely with our partner ShelterBox and other organizations that specialize in disaster relief, Rotary members lead projects to support every phase of a community's recovery.

### ERADICATING POLIO

As a founding partner of the Global Polio Eradication Initiative, we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

### PROMOTING PEACE

As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources
